

# Intermediate Care & Reablement Scoping Atlas 2017

June 2017

## Background

Chief Officers and their representatives from the 31 Health & Social Care Partnerships were invited to take part in an Intermediate Care & Reablement scoping that comprised of an online survey and conversation about Intermediate Care & Reablement within their partnership area.

As part of the outputs from the scoping, the following Atlas provides information on the provision of Intermediate Care & Reablement across Scotland. It anticipated that this will be a live document that can be updated to reflect developments over time.
