

## Agenda

Title:	Date:	Time:	Location:
Neighbourhood Care Across Scotland – What Next?	Wednesday 20 March 2019	10.00am – 3.30pm	Grand Central, Glasgow

### Aims of today:

- Meet, network, share and learn from each other and leave with an improved awareness of models of Neighbourhood Care and similar activity being tested throughout Scotland
  - Consider how the learning and challenges in adopting models of Neighbourhood Care can inform the design and working of integrated health and social care teams of the future
  - Consider the implications for future local / national policy
- The audience participation tool (Slido) will be used. Please bring a smartphone or tablet with you to take part.
